FERRATON PÈRE & FILS

GRAPE VARIETY

100% Syrah.

SOIL

Slightly acid granite on the right bank of the Rhône, on the foothills of the Massif Central.

VINIFICATION

Grapes are destemmed.
 Maceration for about 20 days.
 Extraction made by pumping over and punching down.

MATURING

In oak barrels and vats for 12 months before bottling.

TASTING

Colour: intense ruby colour.
 Nose: small black berries (blackcurrant, blackberry), violet, hints of liquorice.
 Palate: soft attack, with aromas of red fruit. The backbone of the wine is its minerality. The finish is long and spicy.
